Creative Team

Reggie Gorter is from Pipestone, MN. Her favorite hobby is folding clothes. She has been a musical director & producer for many productions, and has been on stage many times. She said theatre is one of the hardest things to do. She loves seeing the determination of each individual to see their part through all the way to the end. And, she loves the message(s) of Frozen and the music of this production.

"The bonds that are created between the cast, crew, and camp leaders are very parallel to the bond between the sisters Elsa and Anna in the story Frozen that we are recreating for you tonight. I love to witness how the kids learn not only their role onstage, but their roles in helping others achieve; words of kindness, hard work, and trust that each of us will be there for the other is such an important part to building a person full of character and integrity...especially when the going gets tough. To quote Olaf, "love is putting someone else's needs before yours". Thank you for partaking in tonight's story. I hope it will inspire you!"

Jenn Sheldon is from Pipestone, MN. Her favorite hobbies include playing bass guitar or piano with her husband, spending time with her 6 kiddos, watching true crime documentaries or reading anything psychology. She loves yoga, dance & 90's rap. Other plays/musicals she has participated in have been Annie, Peter Pan, Tarzan, The Lion King Jr, Moana Jr, Wedding Belles, The Role of Della and Tin Woman.

"Thank you to the parents for allowing your children to be a part of Frozen Jr. I have been encouraged watching your kids grow in their love for theater & art. We have learned a lot this season. Important life lessons such as leaving behind a legacy of kindness, how to handle conflict, how to treat others, how to use your voice & advocate for yourself & the importance of team building & being a leader. I am so blessed to have worked with your children & I hope to work with them again & I hope to see them all on stage in the future. I tell the cast that their gifts & talents are not to be hidden, but to be shared with the world for the purpose of bringing joy to others. I know Frozen will put a smile on your face & happiness in your hearts."

Disney FROZEN JR.

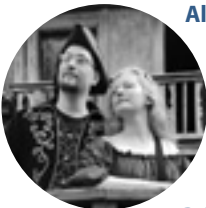

Creative Team

Samantha Davis is from Pipestone, MN. She teaches music at Pipestone Elementary School. Her favorite hobbies include crochet, reading and singing. She served as the Music Director for Disney's Descendants and Assistant Music Director for Scrooge, and will be directing this year's season for The Al Opland Singers.

Samantha is so proud of the hard work that these kids have put into this show. Our performers have grown so much in these past 4 weeks musically and seeing that growth has been beautiful! She looks forward to more projects with these students in the future!

Samantha also serves on the Board of Directors for our organization.

Alexia Davis - As the choreographer, camp craft leader, and hair stylist for the production of Frozen Jr, I had the incredible opportunity to immerse myself in so many aspects of this magical journey. During the school year, I teach art at Edgerton Public School and direct our school plays. Before that, I spent six years as a dance instructor at Misty's Dance Unlimited in Onalaska, WI, honing my skills in movement and performance.

Bringing these forms of art to the table from creating dynamic dance routines and guiding students through crafty camp projects to styling their hair to represent their characters, I thoroughly enjoyed getting to know each student. Witnessing their growth and enthusiasm as they explored the diverse elements of theater and performance was truly rewarding. It was a blast to help them come together as a cohesive team of artists, blending their talents to create a memorable and enchanting production.

Amy Blom is from Pipestone, MN. She teaches middle and high school science at Edgerton Public schools. In her free time she enjoys gardening, camping, hiking, and spending time with friends and family. She has many cherished memories with theater at the Pipestone Performing Arts Center filling the role of Pugsly in the Addam's Family and Cruella/Coach in Disney's Descendants.

It has been a privilege to work with these wonderful kids. They certainly thaw frozen hearts with their dedication, passion, and lovable personalities.
